Fairpark Netball Club

Welcome to 2018!

In this pack is important information on playing for the Fairpark Netball Club.

It's important to note, all registrations must be done by each Fairparkian themselves. Most of you would have registered yourselves for 2017 so this is old hat for you, others who are brand new may experience some difficulties. We've tried to lay everything out below, but if you're still experiencing troubles, please do not hesitate to contact us.

To register in 2018, all Fairparkians will need to click on the link in the email or type in the following URL :

[https://netball.resultsvault.com/common/pages/reg/welcome.aspx?

Most Fairparkians will fit into the first or second options so that's quite easy to move forward on. Options 5 and 6 would most likely be applicable to those players who have already paid their NVM, i.e. they're representative players and just need to be a Fairparkian for 2018.

If you require a payment plan in 2018, please contact our Treasurer Julie Chalmers. All Office Bearers' details are listed in the back of this pack.

Net Set Go Players – Any players 9 years and under

There's a completely separate form for you to complete and an email will have been forwarded to all members we have identified this should apply to. If you haven't received this email, please contact us.

Uniforms

The required uniform for Fairpark in 2018 is the Fairpark dress, white socks and appropriate footwear.

Optional uniform in 2018 are the club t-shirts, club hoodies and both club winter and spring jackets. More uniform is to be added during the year!

All uniform orders are to be made using our online order form and our Uniform coordinator – Monique Carnell - will be in contact when it's ready.

Team Selection

To ensure each player is put into the best team for them, we have two team selection days. Our first selection day has been completed, and unfortunately our second day was cancelled due to extreme weather conditions. We have rescheduled the important second selection day to **Saturday 3rd February 2018**.

Players already registered for selection will be reminded and emailed. If you have not registered, please do so as soon as possible via our website.

The first game of the day is normally 9:00am and games continue throughout the day until after 4:00pm.

Our Winter Season starts Saturday 24th February 2018.

All players will be contacted after selection and prior to season commencement with the information about training days/times and game times.

Umpires

Fairpark provides one umpire per team on game day. And we'd love to see as many umpires, new and returning, as possible. Please contact our Umpires Convenor, Shannen O'Neill. Umpiring is a paid position, remunerated by our club.

Coaches & Team Managers

We are always on the lookout for committed, enthusiastic coaches and team managers. If you're interested in coaching in 2018, there is an online form at our website. Alternatively, you can give Kate Dobson a call.
